Introduction

TASWEEN Technical Services is a collaboration of diversified, talented and world-renowned iconic engineers and architects joined forces in leading a revolutionary aim in transforming a higher level of standard and excellence parallel with precision efficiency in becoming the outstanding integrated operation maintenance, modification and asset integrity solutions provider.

Fueled by our belief "change is good, transformation is better" we are dedicated to not just meet expectations but exceed them together with our unwavering commitment of mastering innovations without compromising quality and reliability. Geared with the latest technology we strongly focus in developing solutions covering the full asset life cycle integrating value to business stabilizing the competitive position of our client in the most cost effective. Available for everyone.

Established in 2021 in Dubai, has acquired good experience Civil, finishing and MEP Works. With over 15 years' experience of the team in the field, **TASWEEN** takes pride in carrying out numerous successful projects that consist of Residential and Commercial buildings, Offices and Villas.

Our Mission

Our mission is to be global leader in technological service industry. The primary reason in transforming our client's vision to reality. Built with our imminent passion and integrity in delivering an economical and customer centric service in a revolutionary and innovative way in achieving the highest level of standards without compromising efficiency making its attainability.

Our Vision

We envision ourselves apart from our competitors by ensuring to provide incomparable services to our clients that have enabled them to be with the utmost profitable advantage. It is our primary goal to prioritize a customer centric program aligned with all our technical services and engineering disciplines. Where we integrate synergistically our strategic and innovative process to provide stellar results and satisfaction to our clients for everyone.
